arms. The member is frequently required to climb or balance; stoop, kneel, crouch, or crawl; or smell.

The member must frequently lift and/or move up to 50 pounds and occasionally lift and/or move up to 175 pounds. Specific vision abilities required by this job include close, distance, color, and peripheral vision, depth perception, and the ability to adjust focus.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those a member encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed primarily in office, vehicle, and outdoor settings; in all weather conditions, including temperature extremes; during day and night shifts. Work is often performed in emergency and stressful situations. Individual is exposed to sirens and hazards associated rendering emergency medical assistance, including infectious substances, smoke, noxious odors, fumes, chemicals, liquid chemicals, solvents, and oils.

The member occasionally works near moving mechanical parts and in high, precarious places and is occasionally exposed to wet and/or humid conditions, fumes, or airborne particles, toxic or caustic chemicals, radiation, risk of electrical shock, and vibration.

The noise level in the work environment is usually moderate, except during certain EMS activities when noise levels may be loud.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and member and is subject to change by the employer as the needs of the employer and requirements of the job change. Wasatch County Fire District is an equal opportunity employer and maintains a drug and alcohol-free environment.
